

Region 17 Show Secretary Clinic

In Edmonton, Alberta on 19 January 2008, fourteen people from B.C., Alberta and Saskatchewan attended the first Region 17 Show Secretaries' Clinic.

Marian Enders taught us the basics of how to be an effective and organized Show Secretary. Marian offered her extensive knowledge and many years of hard work, been there, learned that experience – invaluable information.

We worked hard, learned a tremendous amount, had fun and came away with a Show Secretaries' Bible. It was a day well spent. Thank you Marian!!
